

## About the Fund

The mission of the Gypsum Valley Community Foundation is to give back to the Gypsum community in order to preserve and grow it for this generation and for generations to come, giving those who grew up here a reason to stay and to inspire others to come to the Gypsum Valley community.

A local advisory board will oversee a permanent fund that will benefit the needs of the Gypsum Valley community today and tomorrow.

The advisory board is made up of dedicated community leaders from across the Gypsum Valley area and meets throughout the year to award grants to charitable community projects.

The fund is managed by the Greater Salina Community Foundation in Salina, KS, a 501(c)(3) public charity. All gifts to the fund are tax deductible.

### How does the fund work?

Your gift to the Gypsum Valley Community Foundation Fund will grow over time.

The fund is invested for long-term growth in order to provide resources for immediate and future community needs.

Your dollars combined with your neighbor's dollars will provide support to the community through grants to charitable projects.

Together, we can impact today and transform tomorrow!
